CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

IMAGINATIVE – Being so aware of others' emotions, I use creativity and insight to craft bold ideas that speak to people's hearts. While it's hard to explain this quality on a resume, this vivid imagination and exploratory spirit helps me in unexpected ways.

CURIOUS – Ideas are well and good, but I need to see and explore for myself whether my ideas ring true. Work revolving around the sciences may seem a poor match for my traits, but a boldly artistic and humanistic vision is often exactly what research needs to move forward, if I am given the freedom I

PERSONALITY TRAITS

LIVING IN HARMONY

Unless I take time for myself, I can end up feeling lost in the tide of everyday life, constantly reacting to external circumstances instead of making my own way.

IDEALS

In a harbor town, I have a paramour whose eyes nearly stole me from the sea.

BONDS

- UNPREDICTABLE – I dislike long-term commitments and plans. The tendency to actively avoid planning for the future can cause strain in my romantic relationships and financial hardship later in life.

FLAWS

In the icy realms of the northern seas, where wild waves clashed with frosty winds, I sailed the tumultuous waters as a Viking sailor. My chaotic and vivid imagination set me apart from my fellow sailors, making me a legend among the crew for my unpredictable and creative nature.

My massive battle ax, a weapon as fierce as the storms I weathered, spoke volumes about my great weapon fighting prowess. As a barbarian, my rage was an unpredictable force, manifesting in bursts of berserk rage that matched the chaotic seas I called home. A frost giant tooth, my lucky charm, dangled from a leather thong around my neck, a memento from a perilous encounter that had tested my mettle.

Harbor towns held a special place in my heart, and it was in one such port that I found a paramour whose eyes nearly stole me from the sea. My paramour's presence added warmth to my frosty adventures, and our love created a haven in the midst of the wild and unpredictable life of a Viking sailor. It also started a clan civil war when it turned out my paramour was the spouse of the rival clan chief. To ease the tensions, I quickly bid farewell to the love of my life and returned to a life on the high icey seas.

My imaginative and curious spirit guided me through a life of exploration and discovery. My bold ideas and artistic vision were often unconventional but had a profound impact on my crew and the stories told in the harbors I visited. However, my aversion to long-term commitments and plans created occasional strain in my romantic relationships, as my paramour yearned for a more settled life ashore.

Living in harmony with the ever-changing tides, I struggled to balance my free-spirited nature with the need for personal time. The chaos of everyday life sometimes left me feeling adrift, reacting to external circumstances rather than charting my

CHARACTER BACKSTORY

Umberlee

Alignment: Chaotic Evil
Alternate Names: The Bitch Queen, The Queen of the Depths, The Wavemother
Category: None
Domains: Tempest
Pantheon: Faerûnian
Symbol: Wave curling left and right

No community that lives by the sea can ignore the influence of Umberlee, the furious goddess whose tempestuous nature reflects and is reflected by the waters of the deep. Any such community makes sure to host festivals to propitiate the Wavemother and seek her favor. Although mercurial in temperament, she can be generous to those who do her honor, as is any great queen.

The Bitch Queen is worshiped out of fear instead of adoration, and ship crews offer her gems, tossed over the side, to calm storm-tossed waters. As her most common moniker suggests, she is viewed as capricious and cruel with no firm ethical outlook; the sea is a savage place, and those who travel it had best be willing to pay the price of challenging her domain.

There is little in the way of an organized clergy of Umberlee. Her priests roam coastal cities, warning of doom and demanding free passage on ships in return for ensuring the goddess's pleasure. Often they wear the colors of waves and storms, and they decorate themselves with items that remind others of the sea's dangerous nature - a necklace of shark teeth, seaweed wrapped about a human bone, and so on. The preserved hand of a drowned person is thought to be a particularly holy object, and some of her few clerics use such severed hands as holy symbols. Umberlee does have a large number of shrines in the coastal cities, and sailors often leave flowers or small candies at them in hopes that she will spare them on their next voyage. Both Waterdeep and Baldur's Gate have true temples dedicated to Umberlee, staffed largely by the widows of sailors lost at sea.
