CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

Strategic Thinkers – Commanders exemplify the difference between moment-to-moment crisis management and navigating the challenges and steps of a bigger plan, and are known for examining

PERSONALITY TRAITS

- STRIVING FOR GREATNESS - At the negotiating table, I am dominant, relentless, and unforgiving. This isn't because I am coldhearted or vicious per se – it's more that I genuinely enjoy the challenge, the battle of wits, the repartee that comes from this environment, and if the other side can't keep up, that's no reason for me to fold on my own core tenet of ultimate victory

IDEALS

I'm guilty of a terrible crime. I hope I can redeem myself for it.

BONDS

Cold and Ruthless – Their obsession with efficiency and unwavering belief in the merits of rationalism, especially professionally, makes Commanders incredibly insensitive in pursuing their goals, dismissing personal circumstances, sensitivities, and preferences as irrational and irrelevant.

I watched them die one by one—resistance leaders broken and bled in front of me, not spared as promised but tortured as a lesson. That night, something inside me froze solid. It has never thawed.

That was the last time I would be used.

I disappeared into the ice, into the dark, sharpening my hatred into a weapon. I learned to quiet my steps. To think not just fast, but forward. I let the chill of my homeland seep into my soul until it became a tool I could wield. My psionics, once a strange gift I'd hidden from even myself, became my blades—silent, clean, and deadly.

I joined thieves' guilds not to steal, but to study. I watched how rogues moved, how they trusted steel over soul, hand over mind. I became one of them—efficient, cold, calculated. But I kept the truth hidden. They'd never understand psionics. Too many think of us as monsters in disguise.

Now, kingdoms send whispers into the underworld when tyrants rise. And sometimes, those whispers find me.

I don't kill for money. I kill for precision. For
