CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

CHARMING– I am relaxed and warm, and my “live and let live” attitude naturally makes me likable and popular.

PASSIONATE – Beneath my quiet shyness beats an intensely feeling heart. When I am caught up in something exciting and interesting, I can leave everything else in the dust.

PERSONALITY TRAITS

THE BEAUTY OF AN OPEN MIND I want to live in a world where me, and everyone else, have the freedom to live as I see fit, without judgment. I embrace a flexible, adaptable approach to life. Some people thrive on strict schedules and routines, but not me. I take each day as it comes, doing what feels right to me in the moment.

IDEALS

Ruthless pirates murdered my captain and crewmates, plundered our ship, and left me to die.

BONDS

FIERCLY INDEPENDENT – Freedom of expression is often my' top priority. Anything that interferes with that, like traditions and hard rules, creates a sense of oppression for me. This can make more rigidly structured academics and work a challenge.

FLAWS

In the realm of endless seas and treacherous waters, I sailed the open ocean under the flag of freedom and chaos. I embraced a "live and let live" attitude that made me a charming and likable figure among the crew of the pirate ship I once belonged.

My adventurous spirit and passion for the beauty of an open mind led me to a life on the high seas. I was particularly alert, my keen senses honed through years of navigating stormy waters and evading pursuers. My dexterous skills with a rapier made me a formidable opponent in close combat, and my proficiency in open-ocean navigation ensured the success of many daring raids and escapes.

However, the tides of fortune turned against me one fateful night when ruthless pirates attacked my ship. The brutal invaders murdered my captain and crewmates, plundered our vessel, and callously left me to die at sea. A fierce desire for vengeance burned within me, fueled by the memory of my fallen comrades and the injustice I had suffered.

Surviving against the odds, I found myself washed ashore on a distant island. My fiercely independent nature and hatred for oppression propelled me on a path of revenge. I embraced my charming and relaxed demeanor, easily blending into various ports and taverns to gather information about the pirates who had wronged me.

My passionate heart beat beneath a quiet shyness, igniting with intensity when caught up in exciting and interesting pursuits. My flexible, adaptable approach to life allowed me to navigate through the unexpected twists of fate, creating cherished memories of spontaneous adventures. I embodied the swashbuckling spirit, living for the thrill of the moment.

CHARACTER BACKSTORY

Talos

Alignment: Chaotic Evil
Alternate Names: Stormlord, The Destroyer
Category: None
Domains: Tempest
Pantheon: Faerûnian
Symbol: Three lightning bolts radiating from a point

Talos is the dark side of nature, the uncaring and destructive force that might strike at any time. He is the god of storms, forest fires, earthquakes, tornadoes, and general destruction. He counts the ravager, the raider, the looter, and the brigand among his followers. Those who favor him see life as a succession of random effects in a sea of chaos, so the devout should grab what they can, when they can - for who can say when Talos will strike and send them into the afterlife?

Talos is portrayed as a broad-shouldered, bearded young man with a single good eye, the other covered by a dark patch. He is said to carry a collection of three staffs, made from the first tree cut down in the world, the first silver smelted, and the first iron forged. He uses these staffs to raise destructive winds, cause terrible storms, and split the land in acts of rage. The three lightning bolts of his holy symbol represent these staffs, and when he vents his wrath on the world, he is thought to hurl them down from the sky as lightning strikes.

Although Talos is a popular deity, his name is invoked more often out of fear than out of reverence. He does have priests, mostly traveling doomsayers, who warn of disasters to come and accept charity in exchange for blessings of protection. Many of his faithful wear a black eyepatch, even if both eyes are intact.
