CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

- Excellent Brainstormers – Nothing is quite as enjoyable to Debaters as analyzing problems from every angle to find the best solutions. Combining their knowledge and originality to splay out every aspect of the subject at hand, rejecting without remorse options that don't work and presenting ever more possibilities, Debaters are irreplaceable in brainstorming sessions.
- Charismatic – People with the Debater personality type have a way with words and wit that others find intriguing. Their confidence, quick thought and ability to connect disparate ideas in novel ways create a style of communication that is charming, even entertaining, and informative at the same time.

PERSONALITY TRAITS

- THE COST OF CONTRARIANISM- As I see it, most people are too ready to do as they're told and blindly conform to social norms, pressures, and standards. I enjoy the mental exercise of questioning the prevailing mode of thought, and I take a certain pleasure in uncovering the alue of underdogs and outliers. My active mind can't help but rethink the things that everyone else takes for granted and push myself in clever new directions

IDEALS

I do what I can to protect the natural world.

BONDS

FLAWS

They say curiosity is a dangerous thing. I say it's essential.

I was born among the silver-barked trees of my elven kin, where tradition holds firm like moss to stone. Rules. Rites. Rituals. All very proper. All very *predictable*. But I've never been one to walk the expected path.

So when I found that pool — still as glass, deep in the heartwood where even elders dared not wander — I didn't hesitate. Its surface shimmered like moonlight, and something in me whispered, *drink.* So I did.

The water was impossibly sweet. Fragrant. Warm and cool at once. And when I rose, the world had changed — or maybe I had. Colors seemed brighter. Wind carried laughter I couldn't hear before. My shadow danced when I stood still.

And I smelled… different. Sweet. Like wild blossoms and warm honey. Some called it a gift. Others, a curse. I just call it *proof* — that I've touched something greater.

Since that day, the Feywild has whispered through the cracks of my reality. I see it in reflections and feel it humming behind each tree trunk. And with that awareness came purpose. I became a bridge — or perhaps a barrier — between the mortal and the fey.

Not everyone understands what a delicate balance exists between those two worlds. Humans are brash, loud, ever-expanding. Fey are clever, volatile, whimsical. Left unchecked, either side could devour the other. So I act when the scales tip too far. A noble goes missing — I find them, bartering away their name in a fairy ring. A dryad's grove burns — I make sure the lumberjacks learn *respect*, and perhaps a little fear.

My methods? Unconventional. My thinking?
