CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

RATIONAL – I pride myself on the power of my mind. I can reframe nearly any challenge as an opportunity to hone my rational thinking skills and expand my knowledge – and with this mindset, I can devise inventive solutions to even the most arduous of problems.

INFORMED – I am devoted to developing rational, correct, and evidence-based opinions. Rather than hunches or half-baked assumptions. I base my conclusions on research and analysis. This gives me the conviction that I need to stand up for my ideas, even in the face of disagreement.

PERSONALITY TRAITS

A THIRST FOR KNOWLEDGE - I don't just learn new things for show. I genuinely enjoy expanding the limits of my knowledge.

IDEALS

I come from a noble family, and one day I'll reclaim my lands and title from those who stole them from me.

BONDS

DISMISSIVE OF EMOTIONS – For me, rationality is king. But emotional context often matters more to some people than I care to admit. I can get impatient with anyone who seems to value feelings more than facts. Unfortunately, ignoring emotion is its own type of bias – one that can cloud my judgment.

FLAWS

In the lofty realm of the high elves, I am a paragon of rationality and a devoted mastermind rogue. From a noble lineage, my life was once adorned with privilege and prosperity until the cruel hands of a malevolent conglomerate snatched away my birthright.

Avaricious cutthroats, disguised as lenders, preyed upon my unsuspecting parents. Their sinister terms demanded repayment at triple the norm or the forfeiture of our ancestral lands. Faced with a perilous ultimatum, my parents chose to relinquish our cherished domain to save our family from the clutches of death.

Haunted by the injustice inflicted upon my kin, my mind became a crucible of determination. I vow to unearth the nefarious conglomerate that robbed us and bring their malevolence to an end. The stolen lands and title shall be reclaimed, restoring honor to my family name.

My devotion to rational thinking is unwavering, transforming challenges into opportunities for intellectual growth. I pride myself on informed opinions, backed not by assumptions but by meticulous research and analysis. This conviction empowers me to stand resolute in the face of dissent.

Yet, I find myself dismissive of emotions, considering them secondary to rationality. Impatience simmers within me when faced with those who prioritize feelings over facts. In my pursuit of justice, I must grapple with the realization that emotions hold a power beyond the realms of pure reason.

To navigate the shadows in my quest for retribution, I've crafted a second identity—a mask of deception complete with documentation, acquaintances, and disguises. The art of forgery is my ally, allowing me to manipulate the world around me and delve deeper into the secrets that

CHARACTER BACKSTORY

Oghma

Alignment: Neutral
Alternate Names: The Binder, The Lord of Knowledge
Category: None
Domains: Knowledge
Pantheon: Faerûnian
Symbol: Blank scroll

Oghma is the god of inspiration, invention, and knowledge. Above all else, Oghma represents knowledge in its most supreme, raw form - the idea. An aphorism cited by his faithful about this concept serves them as a prayer when it is repeated aloud: "An idea has no heft but it can move mountains. An idea has no authority but it can dominate people. An idea has no strength but it can push aside empires. Knowledge is the greatest tool of the mortal mind, outweighing anything made by mortal hands. Before anything else can exist, the idea must exist."

Oghma's faithful spread knowledge and literacy as widely as possible, believing that minds ought never to be shackled by ignorance and thus not be able to bequeath the benefit they might otherwise provide their fellows. Not surprisingly, those who follow Oghma oppose those who foster deceit, trickery, and ignorance.

Folk of many professions favor the Binder: wizards, cartographers, artists, bards, clerks, inventors, sages, scribes, and all manner of others who uncover, preserve, and create knowledge and learning. The worship of Oghma was, at one point, one of the few organized faiths in Faerûn that had an established orthodoxy and a complete network of temples that adhered to that orthodoxy. Schisms during the Time of Troubles shattered that network, and now the structures that house the faith are individual temples or small networks of allied temples, much in the manner of other faiths.
