CHARACTER APPEARANCE

Honest and Direct – Integrity is the heart of the Logistician personality type. Emotional manipulation, mind games and reassuring lies all run counter to Logisticians' preference for managing the reality of the situations they

PERSONALITY TRAITS

IDEALS

There's evil in me, I can feel it. It must never be set free.

Judgmental – Opinions are opinions and facts are facts, and Logisticians are unlikely to respect people who

FLAWS

I was born with the stench of brimstone in my blood and the whispers of the Nine Hells etched into my dreams. People looked at me and saw a warning, not a person—and in truth, they weren't wrong. I've felt the evil in me since I was old enough to understand what evil was. It's real. It's patient. And it wants out.

But it won't.

I serve Selûne now, goddess of twilight and the calm between extremes. When night falls, I walk the line between fear and rest, between shadow and starlight. I protect others from the dark—not because I'm fearless, but because I know exactly what's out there. I've seen it. I've been near it.

I live by rules, by duty, by truth. There is a right way to live, and I follow it with every breath. I speak plainly. I act purposefully. Emotions don't override facts, and sentiment doesn't excuse recklessness. Some find that harsh. So be it.

Structure saved me when nothing else could. The order of sacred rituals, the chain of command in the temple, the expectation that I do what's right, even when it's hard—that's where I find peace. Without it, I fear the thing inside me might rise.

So I serve. I guide the weary to safety under Selûne's eye. I defend those who sleep through the terrors I know too well. I hold the line between serenity and shadow.

And I never let the darkness in.
