CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

Spontaneous and Rational – Combining spontaneity with logic, Virtuosos can switch mindsets to fit new situations with little effort, making them flexible and versatile individuals.

Great in a Crisis – With all this hands-on creativity and spontaneity, it's no wonder that Virtuosos are naturals in crisis situations. People with this personality type usually enjoy a little physical risk, and they aren't afraid to get their hands dirty when the situation calls for it.

PERSONALITY TRAITS

Create Wonder
Make the world more wonderful – not only working to alter or improve reality, but also adding wonder.
Freedom
Freedom is essential to creativity and to a vibrant society. Virtuosos want to be free to express themselves, to explore, to take risks, to make mistakes, and to learn from their mistakes.

IDEALS

I'm guilty of a terrible crime. I hope I can redeem myself for it.

BONDS

Dislike Commitment – Long-term commitments are particularly onerous for Virtuosos. They prefer to take things day-by-day, and the feeling of being locked into something for a long time is downright oppressive. This can be a particular challenge in Virtuosos' romantic relationships.

FLAWS

I was born in the jungles of Chult, where the thick canopy hides ancient secrets and the air vibrates with the power of nature. My people understood the delicate balance of life and death, how they fed into one another in a perpetual cycle. The cult I joined was secretive and shrouded in mystery. They weren't just believers; they were practitioners, wielding necrotic power to commune with the dead and channel death's energy. They taught me how to tap into that power, how to slip between the worlds of the living and the dead. I learned to enter the dreams of the deceased, to draw knowledge and power from the spirits that lingered between worlds. The more I learned, the more the lines between life and death blurred. I became attuned to the flow of energy, feeling death in every heartbeat, every breath.

At first, it was exhilarating—this ability to reach beyond the veil and into the lives of those who had already passed. But as I grew stronger, I began to sense something darker in the depths of the necrotic energy. It called to me, an ancient and malevolent presence that lurked beyond the veil, waiting for an opening. That opening came through me.

I didn't realize it at first, but the cult's rituals had worn thin the boundary between life and death. Through my connection to the spirits, I had unknowingly opened a rift, a doorway into the realm of the dead. And something—someone—slipped through.

The evil entity that passed through was ancient and hungry, a force of death that had been long forgotten by mortals. It fed on the life force of entire villages, devouring both bodies and souls, leaving only emptiness in its wake. One night, as I slept, the entity seized the opportunity. It slipped through the rift I had unwittingly created and
