CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

PASSIONATE – I am far from being a boring do-gooder. I brim with interests, and I take great pleasure in pursuing my hobbies – whether that's hiking, cooking, dancing, growing houseplants, or something else entirely. As a result, I rarely find myself at a loss for something interesting to do.

ALTRUISTIC – I am known for harboring a deep desire to be a force for positive change. I genuinely believe that if I bring people together, they can do a world of good.

PERSONALITY TRAITS

GETTING INVOLVED - I am a genuine, caring person who talks the talk and walks the walk. Nothing makes me happier than motivating other people to do what's right. When I care about someone, I want to help solve that person's problems – sometimes at any cost. The good news is that many people are grateful for my assistance and advice. After all, there's a reason that these I have a reputation for helping others improve their lives.

IDEALS

I will get revenge on the evil forces that destroyed and ruined my livelihood.

BONDS

UNREALISTIC – I put pressure on myself to right every wrong that I encounter. But no matter how hard I strive, it just isn't realistic for me to solve all of the world's problems. If I am not careful, I can spread myself too thin – and be left unable to help anyone

FLAWS

In the subterranean realms where shadows whispered and intrigues unfolded, I emerged from the evil and perverted Drow civilization guided by my Oath. Once a courtier navigating the intricate dance of nobility, my world shattered when malevolent forces of a rival house destroyed everything I held dear. Fueled by a burning desire for revenge, I vowed to right the wrongs that had ruined my livelihood.

Possessing the altruistic fervor atypical for a Drow, I harbored a deep desire to be a force for positive change. I believed fervently that by bringing people together, we could achieve a world of good. My knowledge of bureaucracies, a skill honed during my days as a courtier, granted me access to the records and inner workings of any noble court or government I encountered. I could discern the movers and shakers, knew where to go for favors, and was well-versed in the current intrigues of interest within these groups.

Beyond the cloak-and-dagger realms of politics, I was a man of diverse interests. Brimming with passion, I found pleasure in pursuits ranging from hiking through unexplored caverns to experimenting with exotic recipes, dancing to the rhythm of the Underdark, and cultivating houseplants that flourished in the shadows.

Yet, my altruism often led me into the realm of the unrealistic. The pressure I put on myself to right every wrong, while admirable, threatened to spread me too thin. The daunting realization that I couldn't solve all the world's problems loomed over me, a constant reminder of the limits of my crusade.

Getting involved defined my approach to life. A genuine and caring person, I not only talked the talk but walked the walk. My joy lay in motivating others to do what was right. When I cared about someone, I became dedicated to helping solve their problems – sometimes at any cost. Grateful

CHARACTER BACKSTORY

Lathander

Alignment: Neutral Good
Alternate Names: The Morninglord, Inspiration's Dawn, The Rose-and-Gold God
Category: None
Domains: Life, Light
Pantheon: Faerûnian
Symbol: Road traveling into a sunrise

Lathander is the god of the spring, birth, and renewal, a deity of conception, vitality, youth, renewal, and self-perfection. He is god not of the sun but of the dawn, which represents the start of a new day filled with potential.

Lathander is a god of beginnings. People commonly offer a prayer to him before undertaking any journey or endeavor. Lathander's name is invoked to seal alliances and christen new ventures or companies. As a result, the god is very popular among the merchant classes, and the church has benefited accordingly.

The rising sun is his symbol, and his colors are the rose, gold, and violet of the dawn. Lathander's temples and shrines host a wide range of functions both municipal and personal. At such places folk get married in dawn ceremonies, announce the start of civic projects, and even give birth when possible, to provide the baby good fortune.

The faithful of Lathander embrace the founding of new communities and the growth of civilization, as long as that civilization gives everyone the potential to succeed. They despise the undead, seeing them as both a corruption of the natural order and a disavowal of new beginnings, because undead cling to their old existence rather than moving on.
