CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

STRONG PRACTICAL SKILLS – I am an excellent manager of day-to-day tasks and routine maintenance, enjoying making sure that those who are close to me are well cared for.

STRONG SENSE OF DUTY – I have a strong sense of responsibility and strive to meet my obligations, though this may sometimes be more from a sense of social expectations than intrinsic drive.

PERSONALITY TRAITS

THE BEAUTY OF A RESPONSIBLE LIFE

I have a clear moral compass – and it can be nothing short of baffling to me when other people's actions don't align with it.

I believe that there is a clear right thing to do in nearly every situation.

IDEALS

Everything I do is for the common people.

BONDS

INFLEXIBLE – I place a lot of importance on what is socially acceptable, and can be very cautious, even critical of anything unconventional or outside the mainstream. I may also sometimes push my own beliefs too hard in an effort to establish me as mainstream.

FLAWS

In the heart of the rolling hills, where the echoes of laughter mixed with the sound of clinking tankards, I emerged as a beacon of support and guidance. My journey began as an acolyte, dedicating my life to serving the common people with a strong sense of duty.

Renowned among my kin for my strong practical skills, I found joy in ensuring the well-being of those close to me. My nurturing nature extended beyond the material, as I embraced my role as a healer and caretaker within the community. My days were marked by the routine maintenance of not just the physical needs but also the spiritual and emotional needs of my fellow dwarves.

As an acolyte, I felt a strong sense of responsibility to meet my obligations. My commitment to duty often stemmed from both intrinsic drive and societal expectations. The hills where I grew up echoed with tales of my selfless acts, from tending to the sick to officiating ceremonies that celebrated the milestones of life. Based on my devotion to the good of the common people, I was tasked by my church leadership to head out to the Sword Coast on a mission to protect and serve those that were the oppressed of tyrannical fiefdoms. I accepted the crusade without hesitation. The scars on my face from these crusades are a badge of honor I wear proudly to show my devotion to protecting those that need it most.

However, my inflexible nature sometimes led me to be cautious and critical of anything unconventional or outside the mainstream. I pushed my own beliefs with fervor, driven by a desire to establish what I deemed socially acceptable. While my intentions were rooted in a genuine desire to protect the common people, my unwavering commitment to tradition occasionally clashed with the changing tides of the world.

My moral compass was unwavering, and I found it baffling when others' actions didn't align with it.

CHARACTER BACKSTORY

Torm

Alignment: Lawful Good
Alternate Names: The Loyal Fury, The True, The Hand of Righteousness
Category: None
Domains: War
Pantheon: Faerûnian
Symbol: White right gauntlet

Torm is the god of duty and loyalty, revered by those who face danger to bring about a greater good. Those who favor Torm believe that one's salvation can be found through service, that every failure to perform one's duty diminishes Torm, and that every success adds to his luster. Those who take Torm to heart must strive to fulfill his commandment to go out into the world and be an active force for good, to right wrongs, and to help the hopeless. They must strive to maintain peace and order while opposing unjust laws. Followers of Torm stand ever alert against corruption and are expected to strike quickly and hard against any evidence of rot in the hearts of mortals. As the sword arm of justice, Torm's faithful are expected to bring quick deaths to betrayers. Considering these tenets, it should be no surprise that most human paladins have Torm as their patron.

Most temples dedicated to Torm are fortresses built on heights. These structures offer austere quarters for residents and visiting knights, drilling grounds, and stables. White granite, lion statues, and armored figures predominate in the architecture, with the coats of arms of fallen heroes decorating the walls of the great halls.

Torm is seen as the good right hand of Tyr, and as such his symbol is a white gauntlet made for the right hand. It represents Tyr's sword hand, but it is also a symbol of forbearance. Torm is frequently depicted with his right gauntlet extended palm forward, which worshipers call the Hand Resolute. It signifies the principle that the just and true must pause before acting to judge whether their intentions uphold Torm's ideals. Temples, civic structures, and the homes of the faithful are often decorated with images of the Hand Resolute as a constant reminder of this principle.

Worshipers of Torm come from most walks of life, for he welcomes any who seek the best in themselves and others, who uphold his tenets of loyalty, responsibility, duty, and kindness, or who are willing to sacrifice to keep evil from gaining ascendancy in the world. The faithful know that all of them will stumble from time to time while following in Torm's footsteps, but Torm's priests teach that the shame of a minor fall from grace is far less severe than declining to rise oneself up to Torm's standards.
