PERSONALITY TRAITS

IDEALS

BONDS

Inflexible – Consuls place a lot of importance on what is socially acceptable, and can be very cautious, even critical of anything unconventional or outside the mainstream. People with this personality type may also sometimes push their own beliefs too hard in an effort to establish them as mainstream.

FLAWS

I once served in the court of Ilverion as a diplomatic envoy, charming words and thoughtful gestures my greatest tools. I was the glue that held the team together—the one who remembered your daughter's name, the wine you liked, your late-night anxieties before negotiations. I believed, deeply, in relationships: built slow, fortified with trust, lasting beyond treaties.

But diplomacy isn't always gentle. When talks with the Andaran delegation began to fracture, I saw a solution others would not consider. Enchantment magic. A gentle nudge here, a softened opinion there—no harm done, right? I argued for it fiercely. My peers refused. I did it anyway.

The fallout was swift. Andara discovered the manipulation. Years of peace unraveled in a week.

I resigned that day, not out of shame—though I felt it—but because I had to understand what I had wielded so recklessly. I had used magic like a social tool, thinking it no different from a warm smile or a well-timed compliment. I was wrong.

So now, I study. I travel from library to lecture hall, from quiet monasteries to bustling magical academies, seeking to understand enchantment not just as a tool, but as a force with consequence, with weight.

I remain who I am—loyal to those I hold dear, ever eager to make a stranger feel at home. But I've learned that true connection isn't born from control. It's born from choice.

Someday, I will return to Ilverion—not to ask forgiveness, but to teach others what I've learned. Not all power is evil. But all power must be respected.
