CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

FESTIVE – I live for deep, meaningful conversations, but I can also be spontaneous and lighthearted. I know how to find fun and joy in the present moment – and few things give me more pleasure than sharing my joy with others.

CURIOUS – I find beauty and fascination in nearly anything. Imaginative and open-minded, I am not afraid to venture beyond my comfort zones in search of new ideas, experiences, and adventures.

PERSONALITY TRAITS

SEEKING JOY - I am capable of intense thought and feeling – and also of kicking back and having a good time.Even in moments of fun, I want to connect emotionally with others. Few things matter more to me than having genuine, heartfelt conversations with the people I cherish. I believe that everyone deserves to express their feelings, and their empathy and warmth create spaces where even the most timid spirits can feel comfortable opening up.

IDEALS

I idolize a hero of the old tales and measure my deeds against that person's.

BONDS

PEOPLE PLEASING – I am uncomfortable with the prospect of being disliked. To maintain peace, I may compromise on things that matter to me or allow people to treat treat me poorly. And when I fail to win someone over, I might lose sleep trying to figure out what to do about it.

FLAWS

In the twilight-drenched realms of the Feywild, where magic dances on every breeze and the very air is infused with enchantment, I am a living testament to the vibrant and ever-changing nature of the Fey.

With a background steeped in entertainment, I am a versatile artist who seamlessly blends the arts of song, storytelling, and instrumental prowess. My preferred stage is the bustling atmosphere of inns and taverns, where my performances draw crowds seeking respite from the mundane. My nimble fingers dance across the strings of a lute, enchanting listeners with melodies that echo through the Feywild itself.

My inspiration comes from tales of an old hero, Drizzt Do'Urden, a figure from the ancient stories whose deeds I measure myself against. With every performance, I seek to weave a narrative that rivals the hero's legend, transporting my audience to realms of wonder and whimsy.

As an entertainer, I receive not only applause but also free lodging and food of modest or comfortable standards, depending on the quality of the establishment. My charisma and talent make me a local figure wherever I perform, and strangers often take an immediate liking to me when they recognize me in towns where I have left my mark.

I am a festive and spontaneous soul, capable of finding joy in the present moment and sharing it with others. My curiosity knows no bounds, as I seek beauty and fascination in every corner of the world. I thrive on deep, meaningful conversations but can also be lighthearted and playful.

While seeking joy and connection, my people-pleasing nature sometimes leads me to compromise on matters important to me or tolerate mistreatment to maintain peace. Yet, in moments of introspection, I recognize the value of genuine,

CHARACTER BACKSTORY

Lliira
Alignment: Chaotic Good
Alternate Names: Our Lady of Joy, Joybringer, The Mistress of Revels
Category: None
Domains: Life
Pantheon: Faerûnian
Symbol: Triangle of three six-pointed stars

Lliira is a beloved goddess, a deity of contentment, release, joy, happiness, dance, and freedom. As the patron of festivals, she is honored at any celebration, and dance is the primary way to worship her. The Mistress of Revels is said to abhor violence, and any fighting or drawing of weapons (except in ceremony) at a celebration will cause her to withhold her favor. Her priests and priestesses, known as joybringers, take it as their mission to make other people happy, even if just for a moment.

Her faithful always wear at least one clothing item of a bright, cheerful color, and her priests' vestments have more in common with festival attire than with somber ecclesial garments. Rubies and sapphires are sacred to Our Lady of Joy, and her priests bless anyone they see wearing such adornments.

Lliira's followers aren't frivolous, however. To them, divine joy is a very real gift to the world of mortals, and one much needed. To that end, they fight those who would bring misery to others. They are fierce against their foes, and joyous revelers when their work is done.
