CHARACTER APPEARANCE

ALLIES & ORGANIZATIONS

Direct – This perceptive skill isn't used for mind games – I prefer to communicate clearly, with direct and factual questions and answers. Things are what they are.

Original – Combining my boldness and practicality, I love to experiment with new ideas and solutions. I put things together in ways no one else would think to.

PERSONALITY TRAITS

IDEALS

I will become the greatest thief that ever lived.

BONDS

Impatient – I move at my own pace to keep myself excited. Slowing down because someone else "doesn't get it"

FLAWS

If you're wondering how I ended up running my own "recovery" business, it wasn't some grand plan. I'm just good at what I do—better than most. From a young age, I learned to spot the small details others missed: a shift in posture, a subtle change in expression. People are always shifting, and I've got a knack for noticing it. That's what made me a great burglar. I could get in and out of places that no one else could.

But I'm done with petty theft. I run a business now, recovering items for people who need them back—whether they were stolen, repossessed, or lost. For the right price, I'll get it. Fast, smart, and alone. I don't waste time or energy on distractions. If you slow me down, you're in my way.

Some call me ruthless, but it's just how I operate. I'm not here to babysit anyone's feelings or pretend I don't notice what's really going on. I can see the things others can't. Whether it's a shift in behavior or a hidden motive, I pick up on it. And I call it out. If that bothers you, don't hire me.

There's one thing driving me, though: I'm going to be the greatest thief who ever lived. This business is just a stepping stone. I'm already planning my next big heist, and the one after that. I'm carving my own path—less traveled, but mine. And when I'm at the top, everyone will know my name.
